

Momin Haider

Nationality: Pakistani | Email address: shah.momin.haider.10@gmail.com | Address: 1-A Golf Lane, GOR 1, 54000, Lahore, Pakistan (Home)

Education & Training

BS Computer Science | Government College University | 01/09/2021 - 08/08/2025 | Lahore, Pakistan

The major modules I studied during this degree are:

Linear Algebra

Data Structures

Software Engineering

Mobile Application Development

Design and Analysis of Algorithm

Artificial Intelligence and Neural Networks

Final grade: 3.3 / 4.0 (2.0 in German grading system)

Work experience

Software Developer Intern | PITB | 05/07/2025 - 05/09/2025 | Lahore, Pakistan

Assisted in building mobile applications.

Worked with senior developers to implement features.

Focused on Flutter development and user interface design.

Integrated third-party APIs and Firebase services to extend app functionality.

Collaborated with the team on debugging and performance testing to ensure smooth user experience.

Contributed to discussions on improving workflows and aligning app design with project objectives for better usability.

Research and Deveopment Intern | Urban Unit | 10/06/2024 - 10/08/2024 | Lahore, Pakistan

Assisted in research on different urban development projects.

Helped senior staff with data collection, entry, and proper documentation.

Took part in team discussions on planning, design, policy, and technical tasks.

Worked on analyzing planning models and urban data to suggest ways for improving sustainability.

Provided support in training sessions and development programs by handling technical and organizational tasks.

Technical Skills

Programming Languages

C++

Java

Dart

SQL

Python

Projects & Practical Experience

Projects

The Wall (Messaging App – Flutter, Firebase)

Movie & TV Show App (Flutter, REST APIs, GetX)
Urban Insights Dashboard (Python, SQL, Tableau)
PawPal (Pet Adoption App - Flutter, Firebase RTDB)
Nimbus (Weather App - Flutter, OpenWeatherMap API)
Thriftyfy (E-Commerce App – Flutter, Firebase, AI Tools)

Communication and interpersonal skills _____

Soft Skills

- Adaptability
- Problem-Solving
- Communication Skills
- Teamwork & Collaboration
- Research & Analytical Skills

Language Skills _____

Mother tongue(s): Urdu
