Momin Haider

Nationality: Pakistani | Email address: shah.momin.haider.10@gmail.com | Portfolio: https://syedmominhaider.github.io/ | Address: 1-A Golf Lane, GOR 1, 54000, Lahore, Pakistan (Home)

Education & Training

Bachelor of Computer Science (Hons.) | Government College University | 01/09/2021 - 19/08/2025 | Lahore, Pakistan

The major modules I studied during this degree are:

Linear Algebra

Data Structures

Software Engineering

Mobile Application Development

Design and Analysis of Algorithm

Artificial Intelligence and Neural Networks

> **Final grade:** 3.3 / 4.0 (2.0 in German grading system)

Work experience

Software Developer Intern | PITB | 05/07/2025 - 05/09/2025 | Lahore, Pakistan

Assisted in building mobile applications.

Worked with senior developers to implement features.

Focused on Flutter development and user interface design.

Integrated third-party APIs and Firebase services to extend app functionality.

Collaborated with the team on debugging and performance testing to ensure smooth user experience.

Contributed to discussions on improving workflows and aligning app design with project objectives for better usability.
